Report of Principal and School Improvement Council

Mauldin Middle School has been in existence for thirteen years. Our numerous accomplishments have been made through the conscious efforts of our teachers, students, parents, administrators and community members. We continue to closely analyze our test scores in order to maximize our staff development strategies and increase the number of students meeting or exceeding the state standard on the Palmetto Assessment of State Standards (PASS). Our teachers are Highly Qualified as defined by the No Child Left Behind Act, and twenty-two of our teachers are National Board Certified Teachers. The school motto of "Expect the Best!" encourages all of our students to strive for their best grades, excellent behavior and impressive attendance. Mauldin Middle School was named a Red Carpet School twice due to our family friendly environment and outstanding customer service. The Mauldin Mustangs, our collective athletic, academic and performing groups, continue to distinguish themselves in district, state and national competitions. In conjunction with our school PTA, each student is given multiple opportunities to enhance his or her self-awareness through Beta Club, Sandlapper Club, Science Club, Student Council, Service Learning Corps, Step Team, Band, Strings, Chorus, as well as our athletic and academic teams. The extraordinary performance of "Aladdin" by our drama students capped off the academic year. Our PTA, School Improvement Council, Band and Athletic Booster Clubs have joined our business partners, including Publix, Arby's, Chic-Fil-A and Sam's Wholesale Club, to provide both teachers and students with additional resources and assistance in the successes we have enjoyed this year. Our school staff worked diligently as our school and district achieved international recognition as a high quality school system when awarded National Accreditation for AdvanceED Worldwide, a distinguished mark of quality for the school system, its schools, students, teachers, and community. Each staff member contributed suggestions and strategies to develop our Strategic Plan as we addressed each goal of the Greenville County Schools' Education Plan. We are proud of what we have accomplished in each of our thirteen years and we look forward to being a leader in middle school education for many years to come.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
